icannhaz.org

- An unofficial public collection of mostly PDF files downloaded from icann.org
 - Hosts ~ 21 GB in 18k community publications
 - Scrapes icann.org daily for new stuff
 - atom feed updated daily
 - mirroring via rsync & sftp
 - optical character recognition
 - full text search

- A passion project of mine since 2022
 - Take a drink from the ICANN PDF firehose

Conclusions

- ICANN is a PDF generator
- Advisory committees have numbered document series, while supporting organizations don't
 - I have no idea why this is the case
- Recommendations for *Parchment*
 - Give it a good descriptive title
 - In the opening paragraph state something like, “This document supercedes and replaces ICP-2 ...”
